PROFESSIONAL EXPERIENCE

LEAD CREATIVE DESIGNER

Art & Designs by Jeremy Mallin 2007–Present

Built an independent freelance design business with clients including Fieger Law, Shannon Smith PLLC, Insalada, 123 ConEd LLC, other prominent businesses, and individual customers, providing a full range of design services spanning multiple disciplines.

- 3D printing and Rapid Prototyping
- Corporate Identity Design
- Ecommerce and Online Courseware
- Industrial Design
- Printed Marketing Materials
- Website Design

WEBSITE DESIGNER

Communications Associates 2005–2007

Designed and built marketing websites for a niche advertising agency. Served as graphic designer on projects including email marketing campaigns, direct mail campaigns, printed brochures, signage, and ad billboards.

WEBSITE DEVELOPER

ABN AMRO IT Services Company 2000–2005

Designed, built and maintained advanced, customer-facing online banking applications for the world's 8th largest financial institution and its subsidiaries. Supported approximately 200 online websites and web-based applications.

PACKAGING DESIGN PROJECT ENGINEER

General Motors Corporation 1996–1999

Oversaw design, manufacturing, and delivery of industrial packaging and material handling systems for over 100 North American third-party facilities, spanning multiple vehicle programs.
